

TWANISHA R. GLASS, MBA

BOARD MEMBER

There is a relatively small segment of leaders in the business world; individuals who seem able to build relationships, trust, and rapport with almost anyone, and then are able to broker the relationships and make connections between people, creating partnerships and alliances, and motivating forward momentum to 'get things done.' Twanisha Glass is one of those people, and getting things done and driving results through collaboration, partnerships, and relationships is what she is all about. With an enthusiastic and genuinely friendly attitude, Twanisha radiates a sincere passion for delivering value and benefits to all, especially working in her community. Twanisha is currently the Director of Grants and Contracts for the Division of Victim Services within the State of Michigan. In this role, she oversees department-wide compliance, financial systems, and program integrity for both federal and state-funded grants. Twanisha has also facilitated and managed regulatory audits of government programs to ensure adherence to all relevant policies, procedures, and state and federal laws. Twanisha brings a wealth of high-level experience to her roles, holding a Master of Business Administration in Project Management and a Bachelor of Science in Industrial Management, alongside a corporate executive certification in Diversity, Equity, and Inclusion. She is also a sought-after motivational and workshop speaker, focusing on organizational strategy and career readiness for young adults. Actively engaged in numerous community service organizations, Twanisha is eager to lend her expertise to the Boards of Directors for Wayne County Healthy Communities. Her involvement with Wayne County Healthy Communities emphasizes her unwavering dedication to serving and empowering the residents of Wayne County, ensuring that local communities receive the support and resources they need to thrive. His presence in her life fuels her passion and commitment, making every success and milestone even more meaningful.
